

Baggins the Bear

Goes to Theatre

Today, Baggins the Bear is going to an operating theatre.

This is a place where boys and girls just like you go to have their operations when they are in hospital.

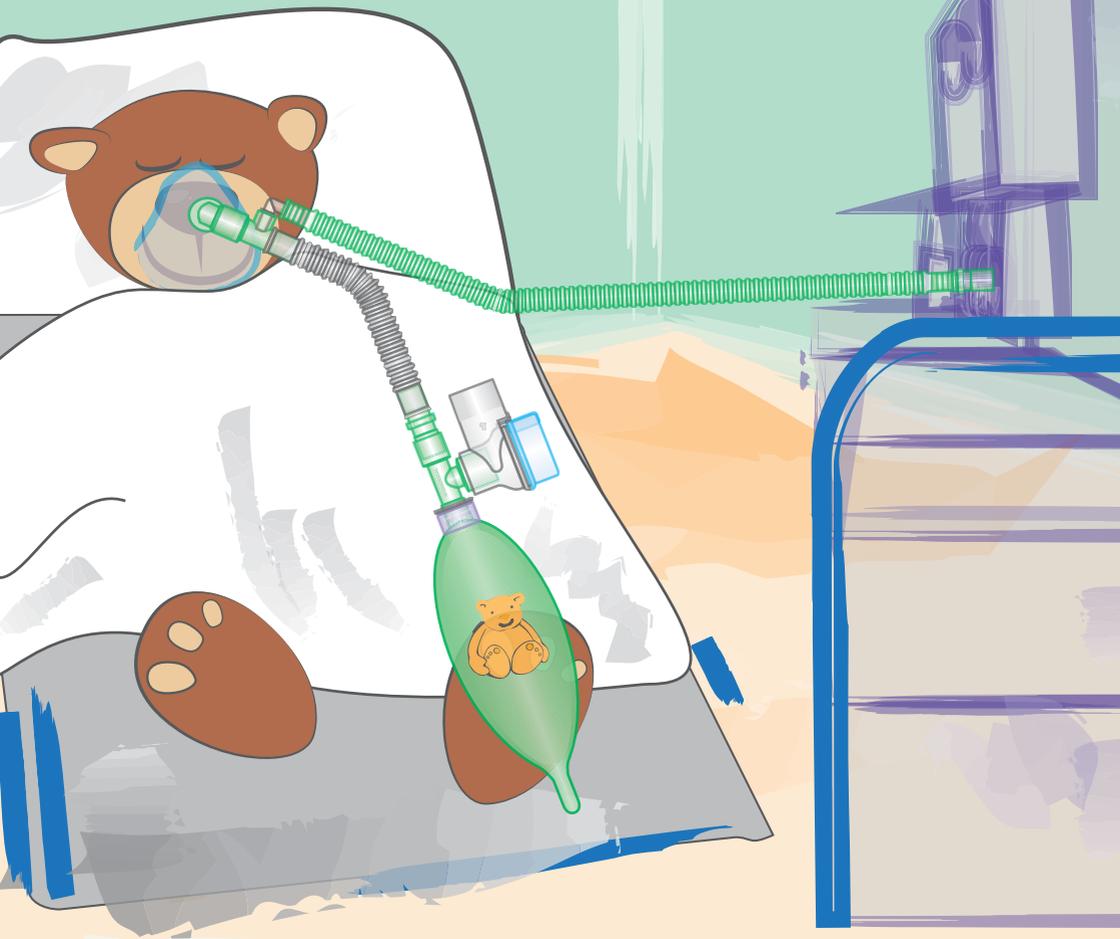

Operating Theatre

Baggins the Bear wears a special gown and he has a ride on a trolley to the operating theatre.

Baggins the Bear arrives in a special room called an anaesthetic room, there he sees a picture of a bear on a balloon shaped bag. Can you see him? The doctor asks Baggins the Bear to breathe into a mask. Within a few seconds Baggins the Bear is fast asleep.

When Baggins the Bear wakes up, he is back in the ward with all the other children. Very soon Baggins the Bear will be going home, just like you. Don't forget to look out for Baggins the bear when you go to theatre.

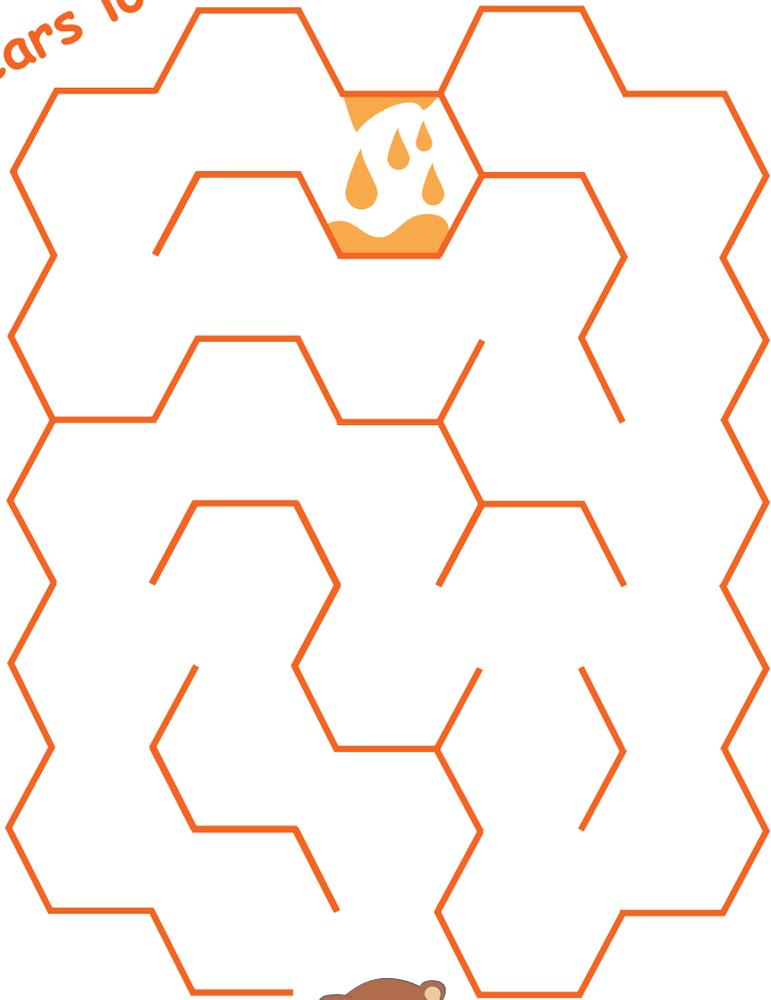

Bye bye.
